We've been busy. Have a look and see what we have been up to.

October was Black History Month which is a time to mark the contributions of Black people throughout history. The children enjoyed a variety of fun and educational activities. The children learnt abut key figures such as Garrett Morgan, the inventor of the threeposition traffic light.

On Friday 22nd October 2021 we celebrated Black History Month with a delicious African inspired lunch of rice, chicken and chickpeas. On 27th October at Erskine site the children enjoyed a delicious African inspired lunch of rice, chicken and chickpeas. The children enjoyed participating in a special African Drumming and Dance activity where the children enjoyed learning about traditional African music. There was a specialist African drummer at this event who performed and explained to the children how to play the drums.

At the nursery the children will be doing fun activities to learn about Christmas. Here is a great activity you can do at home with your child to learn together.

Scented Gingerbread Man Art

 First you'll need some sturdy paper. We used coloured cardstock or the back of a cereal box would work perfectly. Freehand draw a gingerbread man outline or trace a cookie cutter.
 Next cut out your gingerbread man with scissors. I found the easiest way was to poke a hole through the center of him and then cut along the lines. Once you have a piece of paper with a gingerbread man sized hole in it - grab some <u>contact paper</u> and cut a rectangle large enough to cover him. Peel and stick your contact paper over the opening.

- 3. Next step adding the scent! I provided cinnamon, ginger, allspice, and cloves.
- 4. Finally, dust off excess spices and done!

Chinese New Years Celebrations

Chinese New Year is the festival that celebrates the beginning of a new year on the traditional lunisolar Chinese calendar. It will be celebrated on Tuesday 1st February 2022. The year 2022 will be the Year of the Tiger according to the Chinese Zodiac. Here is a great activity you can do at home with your child to learn together.

Tiger Handprint Painting

- 1. Keeping your fingers together, print an orange handprint across the page. This is the body of the tiger.
- 2. Print an orange palm at one end as the head. Add thumb print ears.
- 3. With the side of your little finger add 4 legs and a tail.
- 4. With the side of your finger and your finger prints add black stripes. Fingerprint a black nose and eyes.

Upcoming Celebrations

Easter is one of the most important Christian festivals of the year. It will be celebrated on Sunday 17th April 2022. At the nursery the children will be doing fun activities to learn about Easter. Here is a great activity you can do at home with your child to learn together.

Paper Plate Footprint Bunny

- Paint 2 paper plates each: 1 regular-sized & 1 dessert-sized.
- Make 2 footprints per child and cut them out when they've dried. On 2 footprints, paint an odd-shaped oval. These will be the ears. On the remaining footprints, paint a white oval & 3 circles to resemble a bunny's foot.
- 3. Tape or glue 2 of the footprints as ears and 2 as feet.
- Make the facial features by painting or drawing on eyes, a nose, a mouth or bunny teeth, and glue on whiskers.

Ramadan and Eid Celebrations

Ramadan, is the ninth month of the Islamic calendar, observed by Muslims worldwide as a month of

fasting, prayer, reflection and community. In 2022, it will start on 2nd April and end on 1st May. At the end of this Islamic holy month, Muslims celebrate the Eid festival. Here is a great activity you can do at home

with your child to learn together.

🛸 Ramadan Sun Catcher 🔤

I. Print the Sun catcher template from https://www.incultureparent.com/ramadan-craft-

<u>sun-catchers/</u>

- 2. Cut out the white space so that only the black outline remains.
- 3. Cut up the tissue paper in any colour you choose into small squares.
- 4. Cut the contact paper to the size of the template.
- 5. Unpeel the contact paper, sticky side up. Press one template face down into the contact paper.
 - 6. Let your child arrange the tissue paper in any pattern they choose, filling all the white space.
- 7. Distribute glue along the lantern outline. Press the second identical lantern template on top of the first.
- 8. You can now stick the lantern directly onto the window.

COVID 19 Update

As per Government guidance we are working with children in smaller groups as recommended, but are beginning to join groups to form one larger group at both Erskine and Greenleaf site.

However, we will continue with our thorough infection control measures which include; checking your child's temperature upon arrival and on departure, regular handwashing, shoe disinfecting and cleaning the setting regularly throughout the day. In order to ensure that we minimise the risk of COVID 19 infection within the setting, and to ensure that children who have been unwell are able to return to the nursery, you will be required to complete a COVID 19 Risk assessment. This form will ask you share what symptoms your child had when they were unwell, the action you took and the result of the COVID 19 test if one is performed. You will be asked to confirm that your child is COVID symptom free and well enough to return to the nursery.

Please beware that if your child displays any of the COVID 19 signs and symptoms whilst at the nursery, you must take them home. Your child cannot return until a COVID 19 test has been performed and the result received. You must adhere to Government guidelines with regards to isolation if required.

Helping children to learn Recommended reading

Literacy is one of those skills that parents can nurture in those early years. Why literacy? Because reading and writing are the fundamentals of early education, not to mention that they crop up multiple times every single day. From reading road signs and writing shopping lists to learning a new language, literacy is a skill that is vital for everyone.

As usual, all our meals are designed with young tummies in mind and are healthy, freshly prepared using the best seasonal ingredients. Children's individual needs and dietary requirements have been considered and will be catered for. We are always interested in feedback and new ideas, so please do let us know if you have any meal ideas or recipes you would like to recommend for future menus.

The Early Years Foundation Stage

The Early Years Foundation Stage (EYFS) was updated on 1st September 2021. The EYFS is the curriculum which supports the learning and development needs of children aged from 0 to 5 years old, and is used in early years settings and reception classes. Some of the changes that have been made are to the focus and content of some of the areas of learning and development that we use to observe, assess and plan for your child. The learning goals have also been updated. We have been updating and amending all polices and procedures accordingly. We will keep you posted of the changes that we make. You can read about the EYFS and the new updates by copying and pasting the links below into your search bar. If you have any questions please get in contact with us. GOV.UK -
